Purpose for which data set is to be used:

.....

.....

Academic user registration

Unless agreed otherwise in writing with BODC, I (and any persons acting on my behalf) will use the data on the CDROM solely for the purposes of bona fide academic research, the results of which will be made freely available and not used for commercial gain. Likewise, I will not pass these data to a third party, other than for the purposes of collaborative research, without the written agreement of BODC. I understand that other uses of these data require a licence agreement with BODC.
